

Volunteer Opportunities

Elara Caring Hospice volunteers are compassionate, giving individuals from all walks of life who share the gift of time to enhance the lives of others. No special skills are necessary – just a listening ear and an open heart.

Volunteer Opportunities:

- Companionship to hospice patients and respite to caregivers
- Supportive presence at the bedside of patients in their final days or hours
- Recording patient memories and stories for the patient's family to have as a keepsake
- Supporting Veteran patients and Veteran's events
- Certified pet therapy dogs visiting patients in homes or facilities
- Bereavement support
- Administrative tasks in our offices
- Sharing your musical talents
- Crafting
- Special events

Advanced Hospice Certification:

This free service learning program is designed to provide those who participate with an introduction to hospice care and relevant, hands-on experience, valued by educational institutions and employers. This is a great learning opportunity for individuals planning to enter the medical field.
